

Smart Software to help you Gain & Retain Customers

Zoho CRM Plus helps you engage with the right prospects, sell smarter and retain more customers, while measuring and improving all customer-facing activities along the way.

Your Benefits

- Create effective email campaigns to reach and interact with your prospects.
- Proactively chat with your website visitors and convert them into prospects.
- Create, schedule and deliver your social media content when your audience is most likely to engage.
- Manage your sales pipeline, spot opportunities, increase win rates and grow your business.
- Deliver unmatched customer service across multiple channels, languages and time zones.
- Plan, track and collaborate on client deliverables using our project management tools.
- From click to deal, it's all in one place. Drill down your Google AdWords campaigns and improve conversion rates.
- Gain data-driven insights on your sales performance with smart dashboards and KPIs.
- Gather opinions, analyze results and discover better ways to exceed customer expectations.
