

Supercharge your website with SalesIQ

For Your Business

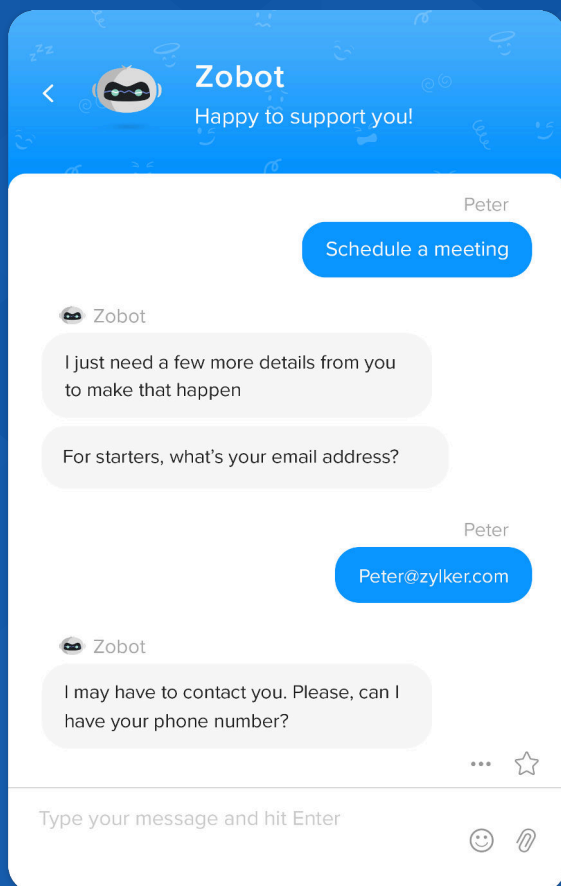

Why use Zoho SalesIQ?

A real-time communication platform to reach your website visitors. Engage and convert them to successful customers for potential growth.

Why use SalesIQ for your Website?

- Know more about your website visitors
- Turn visitors into leads through instant messaging
- Automate engagement to target your potential visitors
- Retarget visitors using SalesIQ insights to increase your ROI
- Integrate your website with one click

Make every visitor count!

Zobots can capture and qualify unknown and known visitors. Engage them 24/7 by passing them to the right team and accelerating your customer service.

Focus your time on potential visitors

Score your visitors based on their actions on your website. Help your team focus on potentials and increase the probability of faster conversions.

Lead Scoring

Number of Visits	is more than	5
AND		
Action Performed	is equal to	whitepaper download
ADD 100 Points		

Encourage impulse buying

Target prospects based on their website activities, warming up cold visitors for spontaneous action.

Halloween Offer!

Get 20% off on spooky candles for the festive scare.

\$ 15

If **Country** is **United States** and

if **current page** is **Halloween decor**

send **Halloween offer** after **2 minutes**

Channel visitors into the right hands

Direct buyers based on their interest and website behavior to the right executive and increase first contact resolution.
